dow a bed in Newport's proposed new hospital in memory of his grandfather, Dr. Joseph C. Rutherford, a physician and surgeon in Newport at one time.

Rev. Daniel C. Faris of Barnet, who died there last week, was one of the best known elergymen of the older school in that section of the state. He became pastor of the Reformed Presbyterian church in Barnet in March, 1873, and held the pastorate up to a few years ago, gaining the record or holding a pastorate longer than any other paster in a New Lugland church.

The famous Morgan stallion Reynard, owned by H. R. C. Watson of Brandon, for which he had refused offers of thousands of dollars and which had taken prizes at many fairs since 1913, died in Brattleboro Saturday of pneumonia, which it contracted while on the train on the way to that place, where it was to have been shown at the Valley fair.

Brattlebero schools do not expect to be largely represented at the state teachers' convention in Montpelier this week, as the prudential committee did not feel lets; you will be surprised at the result. Adv. justified in bearing the financial burden of the trip, which would approximate \$400 for traveling expenses. Instead, a visiting day is to be granted for Oct. 10, when the Bratleboro teachers may visit whatever school they wish and \$3 will be paid toward their traveling ex-Representatives of the school penses. from its different departments will take the trip to Montpelier.

Harley E. Pike of Waterford has bought of H. J. Johnson the brick house in McIndoes, formerly owned by the late Philo B. Van Dyke and the large farm of several hundred acres adjoining the largest real estate transactions in that section. The property was sold by Mrs. Van Dyke to H. J. Johnson of the Stuart Auto Sales company in the spring for at 10 o'clock sharp in the forencon, the \$10,000. The property was formerly following described personal property, to known as the Monteith farm.

Tobacco Habit Dangerous

says Doctor Conner, formerly of Johns Hop-kins hospital. Thousands of men suffering from fatal diseases would be in perfect health to-day were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just so to any upto-date drug store and get some Nicotol tablets; take them as directed and lo! the pernicious habit quickly vanishes. Druggists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Conner soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result.—Adv.
